## St. Mary's Church

**Thursday 26<sup>th</sup> May**  
**and**  
**St. Mary's Gift Day**

Dear friends,

Easter blessings to you all.

My name is Jo King and I am the Lay Minister known as a Licensed Reader at Saint Mary's for those of you who don't know me. I've been with the church since 2009 and have been supporting Reverend Graham and the Church since then. I've been asked to write this article on behalf of the church.

We have just celebrated the most important festival in the Church's year, that of Good Friday and Easter. Out the darkness of Good Friday comes the blazing light of Easter morning. Our experiences echo the darkness that we see around us individually, as a church, or in the wider world. The message of hope and new beginnings that is at the heart of the Easter message is reflected in the beautiful spring sunshine and the blossoming of nature that we see all around.

God's love echoes down the years to us today. The disciples on that first Easter morning before they found the empty tomb did not know what the future held. Everything they had believed and dreamed had disappeared at the cross. But then they found the tomb empty, and the message of the angels that Christ was alive and had risen from the dead, changed their lives and took them in a completely different direction.

New life and new directions follow a dark time and is true for us as a church and a community. The world is a very different place and many of us are unsure of how to face the changes that are coming or the uncertainty the awful world situation. But we have a God who loves us and holds us close even when things look impossible as they did that first Easter. Change is going to come but we've got God on our side, inspiring and leading us, and although things will be different. God is unchanging and his love remains for each of us. The message of hope reaches out to us and although life is different and difficult at times his presence can and does bring comfort.

As a church community, prayer is at the centre of our life and we pray daily for Cubbington, street by street, the schools, and all the different activities that are going on within our wider community.

May God bless you all,  
Jo

This year 2nd Cubbington (St. Mary's) Brownies will be celebrating their 60th birthday. We would love to hear from you if you have any memories of being a Brownie with us that we could share in our birthday celebrations later this year. Please email us at [2ndcubbingtonstmarys@gmail.com](mailto:2ndcubbingtonstmarys@gmail.com) if you have any stories to share.

Would you like to meet new people, gain skills and help girls know they can do anything? Discover the benefits of volunteering with Girlguiding and join in the fun with us.

Girlguiding in Cubbington, Lillington and North Leamington needs more volunteers to join current teams to keep the units running.

If you would like to find out more about volunteering visit [girlguiding.org.uk](http://girlguiding.org.uk) or email [girlguidingleamnorth@gmail.com](mailto:girlguidingleamnorth@gmail.com)

The Quilt of Hope will be on display in St Mary's at our services  
on **Sunday 15<sup>th</sup>** and **Sunday 22<sup>nd</sup>**.

One of the squares was produced by **Kath Johnson**  
for St. Mary's Church.

The quilt which has been made by people from  
around our community producing interesting images  
that captured what the lockdown meant for ordinary  
individuals.

Many squares show the rainbow symbol reminding  
us of peace, hope and light after the dark times we experienced. Others  
express feeling of sadness and loneliness at not being able to meet with  
family and friends.

**FAIRTRADE FORTNIGHT**  
**21 FEBRUARY – 6 MARCH**

## St Mary's Church, Cubbington - Eco Church

Hello everyone!

This month sees our **FAIRTRADE FORTNIGHT** event take place on **Saturday 7<sup>th</sup> May 2022.**

We are supporting it with a Fairtrade Coffee Morning in Church **10am to 11.30am**. Do come along. There will be info corners, quizzes and short films to watch - as well as Fairtrade products to enjoy. There is an amazing Fairtrade food raffle too. Should be a fun event for all the village.

**Fairtrade** - how much do you know? Fairtrade say this: - "Fairtrade is a simple way to make a difference to the lives of the people who grow the things we love. We do this by changing the way trade works through better prices, decent working conditions and a fair deal for farmers and workers in developing countries. Fairtrade is unique. We work with businesses, consumers and campaigners. Farmers and workers have an equal say in everything we do. Empowerment is at the core of who we are. We have a vision: a world in which all producers can enjoy secure and sustainable livelihoods, fulfil their potential and decide on their future. Our mission is to connect disadvantaged producers and consumers, promote fairer trading conditions and empower producers to combat poverty, strengthen their position and take more control over their lives.". Fairtrade products include: tea, coffee, banana's, cocoa, chocolate, sugar, beauty products, cotton, gold, flowers and more. It's not just about banana's, nuts and coffee though, important though they are. **DISCOVER FAIRTRADE GOLD** say an estimated 16 million small scale miners work in dangerous conditions around the world to provide gold that may end up on our high streets. Exploited by some middlemen, and forced to handle hazardous chemicals such as mercury, small scale mining is a harsh and precarious way to earn a livelihood that often leaves miners living in poverty. You have the power to do something about this – by buying, and promoting, Fairtrade Gold. Want to buy Fairtrade Products? There are over 4,500 Fairtrade products on offer so when you shop look out for the Fairtrade Mark.

### **Eco Tips for May**

Now is a good time to be thinking about growing summer flowers and vegetables so this month we're looking at ways we can be more "green" in our patch, whether we've got a garden, balcony, allotment, window box, hanging basket, or pots and tubs.

Create a larder for bees. Choose flowers that bees can get into easily and provide them with a banquet of food. Some useful information is online here:

<http://www.gardenersworld.com/plants/plant-inspiration/plants-for-bees>

**Plan for slugs.** When it comes to sowing and planting, assume you'll have some casualties and plant more than you need. When planting out seedlings, make a circle of crushed eggshells around each one – slugs don't like crawling on a rough surface. Protect your seedlings from frost, slugs and mice. Make mini greenhouses from clear plastic bottles: remove the screw top, cut off the base and push the sawn-off bottle over the seedling and into the soil. Don't be too tidy. Leave a patch of leaves and twigs where bugs and beetles can feel at home: they could be your friends by feasting on the less welcome insects that eat your plants.

**More great news** – Tricia West has recently been appointed as the Deanery Environmental Representative for Warwick and Leamington Deanery. This role will support local parishes in their journey for treading lightly on God's earth, being more sustainable and environmentally friendly in their mission. Are you interested in joining us? Could you lend a hand? If so, please give Tricia West a call on 07855-830011 or email [stmaryseco@gmail.com](mailto:stmaryseco@gmail.com)
