Advent Book
This Advent I have decided to read the book **'Walking with Angels' by Eleanor Sanderson**, the book encourages us all to dwell on the words of the Angels found in scripture, and then to walk and pray for our local community.

I am also thinking of creating a book group where we will look at the video's created by Bishop Eleanor, and discuss how her words might impact our journey through Advent.

If you would like to join me, I encourage you to purchase the book, and also have a conversation with me if you require more information or are interested in joining the book group.
