Day

and
St. Mary's
Gift Day**

Dear friends,

As we move into early summer from a spring that has been very different with blossoms coming early, I see in my garden red currants in full flower and raspberries beginning to bloom. Nature is unfurling and we see evidence of new life all around us. Easter was early this year, and as a result, so is Ascension and Pentecost which as many remember was also known as Whitsun. On Ascension Day, we remember the ascension of Jesus into heaven 40 days after his resurrection. We are told in the Bible that Jesus met his disciples many times following his resurrection and showed many proofs that he had risen from the dead. At the end of those 40 days whilst his disciples watched he ascended into heaven. We don't know where heaven is physically, but we know that heaven is where God is.

Ten days later we celebrate the festival of Pentecost when the Holy Spirit, descended on the disciples and empowered them to take out the good news of Jesus' love and salvation, firstly to Jerusalem, and then to the whole world.

The gift of Pentecost led to the spread of the church in the centuries since as the Holy Spirit empowers all who call Jesus Lord and Saviour to be to be messengers of the gospel, the good news of Jesus. It turned a frightened group of people into powerful

messengers of God then and now. The Bible uses many symbols for the Holy Spirit, as it is a difficult thing to imagine. They include a Dove and tongues of fire that the disciples saw that first Pentecost. But it lives in all who claim Jesus as Lord, and this is often that voice that tells us we should do something good, speak to someone who we don't necessarily know, to go a particular way, to help and to encourage others and to learn more about Jesus.

Jesus told his disciples, that they and us, should love one another, and also that He would send a helper both for them and us: **The Holy Spirit, who will teach you all things and will remind you of everything I have said to you.**(Taken from John 14:26.) The gift of Holy Spirit was not just for the disciples at that first Pentecost but is for all who believe and dwells in our hearts and minds.

Since 2016 a global ecumenical prayer movement called "The Kingdom Come" has developed between Ascension and Pentecost, inviting Christians and others to commit to pray and to play our part in the renewal of the nations and the transformation of communities. This is something I think we can all get behind for our troubled world. There will be prayer materials in the church for all who would like to take part.

Ascension Day, is also a special day in the life of Saint Mary's as this is our Gift day when the whole community can come together and give a donation to the upkeep of our beautiful church. The Church will be open and the church community ask you to join us and explore our beautiful church buildings.

Our prayer for you all is that the love that flows from Jesus will transform us all into the people that God wants us to be.

God Bless Jo.

Jo King, Reader and Lay Minister

Our children have come back to school full of energy and enthusiasm after their Easter break and there is lovely positive atmosphere in school. Hopefully the weather will continue to improve and we will be able to use the field and need to be thinking about suncream and sunhats very soon.

The children continue to work hard in their lessons and the teachers have some super activities planned for them this term. Each class will be going on a trip and the Year 4 class will even be camping on the school field. Our Year 6 children will be going on a residential trip for two nights. These visits and trips are always a highlight for the children and often the main memory when they look back on their time at school. The teachers put so much effort and care into planning them and we are so grateful for the experiences that the children gain.

This term we are focusing on the value of 'Caring' and we have read and discussed

the parable of The Good Samaritan together. It is always encouraging that our children are very cross with the characters in the story who walk by and do not help the man by the side of the road and they all agree that they would have helped if they were there. One child said 'I would love a donkey and I know that me and my donkey would help anyone who needed it!' I am confident that the children naturally

demonstrate the value of caring all of the time and it is a great opportunity to discover other ways to care in school, at home and in the wider community.

If you have walked past our Church Hill gate recently you may have noticed that building work has now started on the Old School in preparation for the Nurture Room Nursery and The Nest Before and After School Club. This is all very exciting and the Old School is going to look lovely when it is all finished. It really does feel like we are breathing new life into it!
